SOCIAL WORK

Beach Cleaning

SKILLS

- **Languages :-** HTML, CSS, JavaScript, Python, SQL (basic)
- **Framework :-** Bootstrap, JQuery, Django
- **Database :-** MYSQL (basic)

PROJECT

Ecommerce Website using Django

This is my first django project so it has all the basic features that an ecommerce website has. I am learning new things so I am updating and adding new functionality or features day by day.

WEBSITE :- <https://pranav5704.pythonanywhere.com/>

Frontend Projects

Using HTML, CSS, Javascript and Bootstrap I create a few frontend projects which are uploaded on github. Use the link below to see the frontend project .

GitHub :- <https://github.com/Pranav-57>

RFID Based Indoor Navigation System for Blind People

Navigation system created using RFID tags which helps blind people for indoor navigation. It helps blind people to reach a particular room or any area of building. (Ongoing)
