SOCIAL WORK

Beach Cleaning

SKILLS

- **Languages :-** HTML, CSS, JavaScript, Python, SQL (basic)
- **Framework :-** Bootstrap, Jquery, Django
- **Database :-** MYSQL (basic)

PROJECT

Ecommerce Website using Django

This is my first django project so it has all the basic features that an ecommerce website has. I am learning new things so I am updating and adding new functionality or features day by day.
WEBSITE :- https://pranav5704.pythonanywhere.com/

Frontend Projects

Using HTML, CSS, Javascript and Bootstrap I create a few frontend projects which are uploaded on github. Use the link below to see the frontend project .
GitHub :- https://github.com/Pranav-57

RFID Based Indoor Navigation System for Blind People

Navigation system created using RFID tags which helps blind people for indoor navigation. It helps blind people to reach a particular room or any area of building.   (Ongoing)
